POSITION: This visiting instructor position in the department of Curriculum and Instruction is a one-year appointment to a full-time position for the 2016-17 academic year.

DUTIES AND RESPONSIBILITIES: The successful applicant will work with the Center for Advancing the Teaching and Learning of STEM (CATALYST) and the K-12 Integrated STEM Education program at Purdue University in collaboration with Professor Lynn Bryan, Director of CATALYST. Responsibilities include:

• Serve as instructor or co-instructor for professional development and CATALYST-related courses
• Design integrated STEM curriculum for courses and projects
• Assist in the collection and analysis of educational research data
• Manage or co-manage existing projects and new projects as assigned by Director
• Successfully manage the relationship with partners and all stakeholders, contributing to positive co-worker/partner/network relationships through efficient interaction on current grants/projects
• Create and maintain comprehensive project documentation
• Participate in procurement of additional/new funding through collaboration on proposal preparation and/or presentations.
• Oversee development and dissemination of promotional materials including but not limited to CATALYST website

QUALIFICATIONS: Master’s degree and three years STEM teaching experience, including one year of K-12 STEM teaching experience, required. Educational research experience in a STEM education field is strongly preferred.

SALARY: $57,000 plus benefits, commensurate with qualifications and experience.

STARTING DATE: August 15, 2016

APPLICATION: Review of applications will begin May 20, 2016 and will continue until the position is filled. Applicants may apply electronically by sending a letter of application outlining qualifications and interest and a current vita/resume (word or .pdf) to hainesg@purdue.edu.

Inquiries about the position should be directed to K-12 Integrated STEM Education Visiting Instructor Position Professor Lynn Bryan labryan@purdue.edu Purdue University Department of Curriculum and Instruction 100 North University Street West Lafayette, IN 47907-2098
