COE Strategic Plan Steering Committee
Minutes
May 12, 2009

Present: S. Moon (Chair), J. Staver, T. Agnew, M. Kremer, T. Taber-Doughty, J. Jeffries

Preamble
We reviewed the new description of our process in the current plan section and made minor revisions for clarity.

Goals & Strategies
We reviewed the goals and strategies to determine if there were any gaps and/or areas that do not reflect our white papers, prior discussions, and input received. Several strategies were edited and a few new ones were added.

Next Steps
Sidney will discuss the revised draft with Kevin. Once Kevin approves it, Sidney will post it on the web and invite comment. At the end of the comment period, it will be forwarded to the steering committee for comment, revised again, and forwarded to incoming Dean Maryann Santos de Barona (target due date = June 30, 2009).
