

## Education Maymester in Russia Study Abroad Program

The *Education Maymester in Russia* Study Abroad program is a 9 credit hour program for Block III students. The program participants have an opportunity to combine classes with Purdue professors and an exciting trip to one of the most beautiful European centers - St. Petersburg, the former capital of the Russian Empire and one of the most famous centers of arts, culture, and science. Although the program specifically addresses the Block III elementary education majors, it is organized for both undergraduate and graduate students. Undergraduate students will be offered the Block III courses - EDCI 361 (Elementary Social Studies), EDCI 362 (Literacy in Elementary School). EDCI 590 and EDCI 624 will be offered for graduate students. The length of the program is 5 weeks: May 11 – June 13. First 2 weeks of intensive classes (May 11 – 22) on campus in West Lafayette, three weeks (May 24 – June 13) of classes, school and university observations, practical training and cultural part in St. Petersburg and Moscow.
