Dear Students,

Happy Hollow Elementary School runs a remediation program for 4th, 5th, and 6th grade students that are identified by their teachers as needing extra help with their regular class work. Opportunities for students to work on their homework, both at lunchtime and after school, are also offered.

Needed are Education majors who are interested in volunteering to help our students. Tutors will be asked to work with students one-on-one or in small groups. Volunteers are scheduled in the morning from 9 – 11, at lunch from 11 – 1:15, and after school from 2 – 3:30. Any amount of time a volunteer can give will be appreciated but a serious commitment is necessary.

Happy Hollow School is located in West Lafayette on Salisbury Street between the Purdue campus and SR52. If transportation is a concern, the Salisbury Street bus runs right by the school.

Any interested students can email jeannelaws@wl.k12.in.us for more information.
