Ed Leadership Application Process

Thank you for your interest in the hybrid PhD program in Education Leadership and Policy Studies at Purdue University! The following will assist you in completing your Graduate School application and preparing your supporting documents.

Applying to the Graduate School

Next Steps

Applying to the Graduate School

Please note that this system automatically saves your information; there is no “Save” button on each page. If you need to return to it later, exit the application, and all your latest information will be saved. You will need to log back in to continue or view your application. Changes cannot be made after you submit it.

Creating your application

- Visit this website: http://www.purdue.edu/gradschool/
- Click the gold “Apply Now” box at the bottom left of the page:

- Click under “First-time users: Create an account” (or “Returning users: Log in” if you have already initiated an application, in which case you can skip the next few steps and click on your active application to resume completing it).

- Fill in email address, first & last name, and birthdate. Then, click “Continue”:

  Register

  To register for an account, please enter the information requested below.

  Email Address
  First Name
  Last Name
  Birthdate

  Continue

2021 Graduate Application
2021 PWL Curriculum and Instruction

Transcript Evaluation and Credential Review
Requesting a transcript evaluation and credential review before you begin a licensure program may prevent the unnecessary repetition of coursework. The review will provide a list of courses required for licensure in a particular subject area. More information can be found here: https://www.education.purdue.edu/undergraduate-students/current-students/licensure/transcript-evaluation/

Next Steps
- After your application has been submitted, submit the required supporting material:
  - 3 letters of recommendation
  - Transcript Evaluation and Credential Review
  - Official transcripts
  - Resume
If you are offered admission, you will receive information regarding your next steps.
Follow the instructions for obtaining your PUID and setting up your Career Account.
All students are required to activate their Career Accounts and use their @purdue.edu email account. This is how Purdue University will communicate with you.
You will need to accept your admission offer in order to be registered for courses.
Your myPurdue account provides access to options for paying your tuition, requesting transcripts, and receiving important Purdue email notifications.
