

PROGRAM CHECKLIST

EDUCATIONAL SPECIALIST, EDUCATIONAL LEADERSHIP AND POLICY STUDIES (Ed.S.)

The *Educational Specialist, Educational Leadership and Policy Studies (Ed.S.) Program* includes the additional District Administrator - Superintendent (P-12) License.

Because this is a licensure program, a Transcript Evaluation and Credential Review (TECR) must be completed prior to admission. The TECR will take at least two weeks to complete.

Contact the College of Education Office of Teacher Education and Licensure (OTEL) at licensure@purdue.edu before continuing with the application if you have any questions about how this transfers to your state or the process.

During the process, be sure to reach out edgrad@purdue.edu to help you through the admissions process. The following checklist will assist you in completing your Graduate School application, your Transcript Evaluation and Credential Review (TECR) and preparing your documents supporting both applications.

Completed applications should be submitted by the deadlines listed below.

Deadlines:	TERM	TECR DEADLINE	GRADUATE APPLICATION DEADLINE

If a TECR deadline is less than 7 business days away, official transcripts may be ordered and sent from the issuing institution to licensure@purdue.edu (This only meets the TECR requirement, not the Graduate School requirement for continued enrollment.)

☐ **Submit an official transcript** for every college or university attended. Official transcripts should be requested to be sent directly from the issuing institution to the Purdue Graduate School or gradadm@purdue.edu. If possible, please select Attn: "Grad School."

- Social Security numbers must be marked out before any document is uploaded.
- If degree/date awarded not listed on transcript, a copy of the original diploma must be made and verified by one of the following: the institution that issued the diploma, the employer, an official such as a lawyer (notarized), or an upper-level financial institution employee (notarized). The verifier must write "*This is a true original copy of the diploma for (applicant's full name)*" on the copy, and include their name, title, phone, and email address on the copy. The copy *cannot* be faxed or sent over email; it must be mailed to the graduate program.
- For International Transcripts:
 - For the TECE, different requirements apply from the Indiana Department of Education, including an official evaluation of Foreign Studies from a member of the National Association of Credential Evaluation Services. Please contact licensure@purdue.edu for more information. For a list of members, go to www.naces.org/members.html. Please send the original report to OTEL at licensure@purdue.edu.
 - For the graduate application, the transcripts/diploma requirements from the Graduate School can be found at the [documents required by country webpage](#). Unofficial international transcripts may be accepted for admission and should be uploaded with the application.

☐ Your resume should provide the admissions committee with more information than what's included in the application and focus on what they need to know to better evaluate your admission. A graduate resume is different than a job search resume. Job search resumes are designed to get you an interview; graduate school resumes are designed to enhance your application and provide yet another opportunity to sell yourself.

- The resume is not limited to one-page in length (two pages is fine, though contact info must be on both pages)
- Separate your work and non-work experiences into different sections
- Include all your experiences – not just the ones targeting a specific job
- Some of the most commonly included categories in a graduate school resume are:
 - Objective
 - Education
 - Academic Experience/Highlights
 - Employment
 - Volunteer, Community, and/or Extra-Curricular Involvement
 - Certifications/Professional Development
