The Transition to Teaching program leads to an Indiana Instructional Initial Practitioner license. Admissions to a graduate level licensure program is contingent on requesting and receiving a Transcript Evaluation and Credential Reviewing (TECR). The TECR will be initiated upon receipt of all required documents including official transcripts and may take up to at least two weeks to complete. The deadlines below are firm.

Contact the College of Education Office of Teacher Education and Licensure (OTEL) at licensure@purdue.edu if you hold or expect to obtain a teaching license outside the state of Indiana. Questions about the program itself are best directed to transitiontoteaching@purdue.edu.

During the application process, be sure to reach out to the admissions representative to determine your eligibility and to help you through the process.

Please use the checklist that follows to gather all necessary documents and to correctly complete your Graduate School application and your Transcript Evaluation and Credential Review (TECR).

Completed applications should be submitted by the deadlines listed below

- **Recommendations** (two professional references required)
- Acknowledgments
- Faculty Selections (not required)

The Graduate Admissions Application is of no cost. If, however, sections have been completed incorrectly, the system may require an application fee. If paid, the application fee is not refundable. If the system will not let you continue, review the campus and program information and/or contact edgrad@purdue.edu.

**Statement of Purpose (SOP)**

An essay is required for all applicants. Your statement is an opportunity to show the Admissions Committee who you are as a (future) educator and explain why the program is an ideal fit for you and your interests. SOPs are typically 300-500 words concerning your desire to become a teacher in your content area, your reasons for undertaking Purdue’s TTT program, and your professional plans and career goals. Consider identifying any challenges you foresee with graduate studies and how you might overcome them to successfully complete the program.

Two letters of recommendation are required for all applicants. The best letters you can secure are those from former or current employers, co-workers, colleagues, tutors, and other mentors. Never ask family members or close friends. You will have the opportunity to have your recommenders submit an online recommendation by entering their email within the application.

Submit official transcripts

One set of official transcripts from every college or university a degree was awarded or any subsequent, relative coursework for consideration needs to be submitted. In addition to the transcript(s) you will upload to the application, you must also submit an e-transcript (sent by the University’s Registrar e-parchment services) to gradadm@purdue.edu Attn: Graduate School Admissions or a hard copy transcript sent to:

Purdue University Graduate School Admissions
155 S Grant Street
Young Hall, Room 170
West Lafayette, IN 47907

If desired for expedience, another official set of transcripts may also be sent to licensure@purdue.edu.

- Social Security numbers must be marked out before any document is uploaded.
- Transcripts that do not have degree/date awarded listed must be accompanied with a copy of the original diploma that must be verified by one of the following: the institution that issued the diploma, the employer, an official such as a lawyer (notarized), or an upper-level financial institution employee (notarized). The verifier must write “This is a true original copy of the diploma for (applicant’s full name)” on the copy, and include their name, title, phone, and email address on the copy. The copy cannot be faxed or sent over email; it must be
TRANSITION TO TEACHING LICENSURE (TTT)

- For International Transcripts:
  - For the TECR, different requirements apply from the Indiana Department of Education, including an official evaluation of Foreign Studies from a member of the National Association of Credential Evaluation Services. Please contact licensure@purdue.edu for more information. For a list of members, go to www.naces.org/members.html. Please send the original report to OTEL at licensure@purdue.edu.

☐ Your resume should provide the Admissions Committee with more information than what’s included in the application and focus on what they need to know to better evaluate your application. Resumes are typically 1-2 pages
  - Separate your work and non-work experiences into different sections
  - Include all your experiences – not just the ones targeting a specific job
  - Some of the most commonly included categories in a graduate school resume are:
    - Objective
    - Education
    - Academic Experience/Highlights
    - Employment
    - Volunteer, Community, and/or Extra-Curricular Involvement
    - Certifications/Professional Development

☐ International degree-seeking applicants whose native language is not English are required to submit proof of English proficiency. The Graduate School accepts the Test of English as a Foreign Language (TOEFL) or International English Language Testing System (IELTS) scores for admission. View the Graduate School’s minimum score requirements.

The Graduate School will routinely waive the English proficiency requirement for applicants who have received a degree within the last 3 years from a school where English is the primary language of instruction in one of the recognized English-speaking countries. Note: If you have not done so already, request that ETS send your scores electronically to the Purdue University West Lafayette campus using code 1631.
